<input type="checkbox"/> Fire Sprinkler Application & 3 Full Sets of Plans & Calculations		

This application becomes null and void if permit is not issued within 180 days of application date. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of law and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or performance of construction. Permit and tap fees are subject to change at the beginning of each calendar year.

Note: A separate permit is required for signs, fences, irrigation systems & swimming pools unless noted on this application. Fees are assessed at time of permit issuance and are subject to city ordinance in effect at that time.
